Suppliers of Mining, Mobile Equipment, Overhead Cranes & Spares, Mechanical, Protective Clothing & Hardware, Maintenance, Pneumatic Equipment, Computer Accessories and General Contracting.

Amozoral Enterprise is a wholly Zambian company that was incorporated with PACRA in 2021. Its principal business is supplying and contracting. It was founded to offer high quality services to both the private industries and the public which are government owned institutions. We will do our level best to provide job creation as well as contributing to the economic development of our nation.

We understand that customers have their own individual requirements and that a single product based supplier cannot fulfil all their diverse needs. Hence Amozoral comes in with our diverse products that meets and satisfies the clients needs and save them time and effort spent in moving from one supplier to another.

As an independent emerging products supplier, we are free to choose the best prices without compromising our belief in quality and best customer service.

To be leaders in the provision of quality products and services that will help to maintain a positive image of our clients and add value to their businesses

PRODUCTS THAT WE SUPPLY

We supply branded and non-branded items depending on the clients' specifications or needs. If what the client requires is out of stock, we are swift to place orders and deliver within a short period of time.
